Terms & Conditions

Quest Photography Workshops

IMPORTANT - CANCELLATIONS POLICY & CONDITIONS

Quest endeavours to be sympathetic when unavoidable cancellations are made, but unfortunately, these have increased significantly, often at short notice. This has resulted in problems with some workshops as it has not always been possible to find late replacements, and on occasion this has meant that running the workshop was not viable, Conditions for bookings in this programme are therefore as follows:

1. Cancellations made before 2 calendar months of the event - choice of repayment in full or a credit note.
2. Cancellations made between 1 and 2 calendar months - credit note or refund issued for all moneys paid **if space can be filled**. If it cannot, deposit will be retained, but any balance will be refunded or credit note issued
3. Cancellations made within 1 calendar month of event - deposit retained, but any balance repaid or credit note issued **if space can be filled**. If space cannot be filled, all moneys will be retained.
4. For any workshop cancelled by **Quest**, all moneys will be refunded - or, if preferred, a credit note issued, in which case a 10% 'bonus' will be added.

In view of the above, you are **strongly recommended** to take out **TRAVEL INSURANCE** when booking Photoweeks

CANCELLATIONS or CHANGES TO ADVERTISED DATES

Occasionally, due to unforeseen circumstances, it is necessary to change the date of a workshop. As much notice as possible will be given, but if the new date is unsuitable, your moneys will be refunded in full, or a credit note issued. Rarely, a workshop has to be cancelled due to insufficient bookings. In this event all moneys will be refunded as above.

CANCELLATIONS DUE TO ADVERSE WEATHER

Certain workshops are weather dependent, and when adverse conditions are forecast or occur an appraisal has to be made to decide whether or not to cancel or postpone the event. Sometimes this decision cannot be made until the morning of the workshop and whereas Quest will do its utmost to inform participants in good time, there may be occasions when this is not possible. Any resulting inconvenience is greatly regretted and where practicable arrangements will be made to rerun the workshop on another date. However, if it is not possible for you to attend then, a full refund will be made. Regretfully, any other costs incurred, such as travel and accommodation, cannot be reimbursed.

LOCATIONS & ACCOMMODATION

Most workshops are based at Seaford, on the Sussex coast, or at West Mersea, near Colchester, Essex.

Seaford is situated at the edge of the South Downs, and is approximately mid way between Brighton & Eastbourne, on the A259. For the landscape photographer, there is much to offer, from the open scenery of the South Downs, to the spectacular coastline cliffs of the renowned Seven Sisters, Birling Gap and Beachy Head. And if you attend a summer workshop, you might even be able to take a dip in the sea! Nearby. There is a regular rail service to London Victoria and along the south coast and plenty of accommodation is available in the town and neighbourhood. Historic Lewes, about 10 miles from Seaford, is the county town of East Sussex, and is situated in the heart of the Sussex downs. From there, Brighton is only 20 minutes away by car or train, and there is an hourly train service to London.

West Mersea is on the Blackwater Estuary in a delightful coastal location. Sailing is a feature and there are many photographic subjects along the waterfront, sometimes including historic smacks and barges. There is a regular bus service from Colchester, to which there is an excellent rail service from London Liverpool Street and Ipswich.

INDIVIDUAL & GROUP TUITION, & MULTIPLE BOOKINGS

Colin Westgate is very happy to undertake personal tuition, by arrangement, for darkroom printing and some other subjects. This can be on a 'one to one' or small group basis, and can take place either at West Mersea, or in your own home. The advantage of this is that the tuition can be tailored to precise needs, with 100% personal attention. Prices from £145 per day (or £25 per hour pro rata). Group tuition is available to small or large parties, such as Camera Clubs, and can be on a 'hands-on' or demonstration basis. Subjects, prices and venue by arrangement.

Quest welcomes group bookings, and a 10% discount is available when 3 or more people book through one person at the same time. For trips, this discount is reduced to 5%. When other discounts are applicable, the highest discount is offered - regretfully, they are not cumulative!
